Brief Bio

Dr. Naomi Lawrence, earned her BA degree from Tulane University and her MD from the Tulane University School of Medicine. Following her internship and residency in dermatology at Tulane, she accepted a fellowship in dermatopathology at the University of Texas Southwestern Medical Center. She completed a Mohs Cutaneous Oncology Surgical fellowship with Willis Cottel, MD in Dallas, Texas. Currently she is a professor and head of the division of dermatology, procedural section, at Cooper University.

Dr. Lawrence is Past President of American Society of Dermatologic Surgery (2015-16), has been a mentor in the Society's Future Leaders Network, is an Assistant Editor of the *Dermatologic Surgery* journal, the author of more than 70 publications and was a contributor to the Society's *Primer in Dermatologic Surgery: A Study Companion* 2nd Edition for medical students. Dr. Lawrence has published medical studies in the leading journals of dermatology, has lectured at major conferences in her field, and is the author of a book on skin rejuvenation and dermatologic surgery. She has written 30 chapters and 48 articles on liposuction, chemical peeling, skin cancer, reconstruction, laser resurfacing and patient safety.

Dr. Lawrence has been listed in the Philadelphia Magazine, New Jersey Magazine and South Jersey Magazine as a "top Doc" from 1999-2013. She has been interviewed by USA Today, Health on the Run, Dermatology Times, Skin and Allergy News, Women's World, Philadelphia Inquirer, Self Magazine, Courier Post, Elle Magazine, Cosmetic Surgery Times, Central Record and many other national publications.
